

Presentación 2017

Anuncios

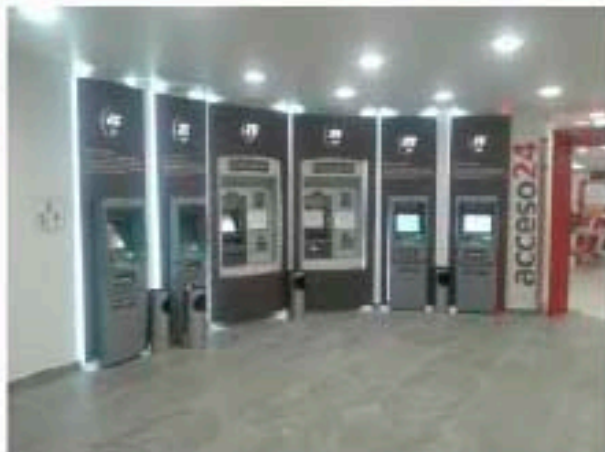

Fabricamos e instalamos unipolares, bipolares, toldos, faldones, marquesinas, espectaculares, así como anuncios especiales para punto de venta en cualquier material; sea en corte de vinil, impresión digital, acrílico, trovicol, estireno, alucobond termoformado, madera, utilizando luz convencional o luz de neón.

Contamos con infraestructura para la fabricación de estructuras especiales para anuncios en material de aluminio y hierro, así como mano de obra calificada.

Desarrollamos proyectos especiales sin importar las dimensiones ni la forma de su anuncio.

The image shows a close-up of a Texas Lottery terminal screen. The screen displays the 'Powerball' game interface. At the top, the text 'Powerball' is visible in a stylized font. Below it, there are several columns of numbers and prize amounts. The numbers are arranged in a grid, and the prize amounts are listed next to them. The Texas state logo is visible in the top right corner of the screen.
